

## About MACS

***Established in 2021, MACS allows schools and parishes to focus on the mission of education.***

*Melbourne Archdiocese Catholic Schools (MACS) is responsible for the governance and operation of approximately 300 Catholic schools in the Archdiocese of Melbourne. We employ over 16,000 teaching and non-teaching staff, who serve more than 112,000 students.*

**MACS 2030: Forming Lives to Enrich the World** is a strategic plan that will help all Melbourne Archdiocese Catholic Schools (MACS) staff come together to make the most of what a Catholic education has to offer, so we can have the greatest and most distinctive impact in our classrooms, staff rooms and school communities.

We are at the start of our journey, with much work to do. Join us as we move forward in the light of Jesus Christ.

At the heart of the strategy is MACS' purpose: 'Forming lives of faith, hope and love in the light of Jesus Christ' and vision: 'Every student is inspired and enabled to flourish and enrich the world'.

The strategy has four themes through which its programs and initiatives are organised:

1. **Inspired by Faith** – our faith pillar, recognising Catholicism is central to who we are and what we do, and foundational to the distinctive educational experiences we offer.
2. **Flourishing Learners** – our academic pillar, through which we aim to deliver the very best educational outcome for every student, focused on the formation of the whole person.
3. **Enabled Leaders** – our teachers and principals pillar, which is focused on empowering great staff to lead great schools.
4. **Enriched Communities** – our community and organisational pillar, through which we are transforming the MACS office into a provider of outstanding support for schools, leveraging the strength of our entire system.
